

## Enriching lifestyles with Information Technology

Recruit Institute of Technology (RIT) is the technology hub and research lab for Recruit Holdings, a company that provides over 200 online services in the areas of human resources, travel, housing, education, restaurants and many other areas in which people make daily lifestyle decisions.

We conduct research in several areas, including data management, data integration, natural language processing, machine learning, and artificial intelligence. We collaborate with universities and publish in top-notch conferences.
