

Megagon Labs

*We empower people with better information
to make their best decisions.*

Megagon Labs is the research lab for Recruit Holdings Co., Ltd that provides over 200 online services in the areas where people make daily decisions.

We conduct world-class research in the several areas, including data management, natural language processing, machine learning, data integration, and artificial intelligence. We collaborate with research in universities and publish in top-notch conferences.

Megagon Labs is hiring Research Scientists and Software Engineers! Visit our website at www.megagon.ai for more information.
