

Facebook is pleased to be a diamond sponsor of SIGMOD 2019

Building the systems to bring the world closer together

Our researchers and engineers are constant innovators as they design and build next generation, scalable, fast, reliable, and efficient systems.

From distributed systems, to data centers, hardware, storage, mobile and beyond, the entire Facebook platform is our lab for research, development, and innovation.

Come visit our booth for more info and learn more at research.fb.com
