Database Systems Expert
Location: Munich Germany

Huawei is a leading global information and communications technology solutions provider.

The European Research Institute (ERI) performs strategic research and cutting-edge development for Huawei.

The Databases group in ERI is advancing database technology for future use in telecommunication and enterprise and is looking for a few technical experts that will take part in that awarding endeavor. It operates out of sites in Germany and Israel.

What you can expect:

- Research towards conception followed by architecture, design, prototyping, and development.

- Analysis and evaluation of relevant state of the art in the academia and industry, and competitors' products.

- Performing business analysis and technical risk evaluation of proposed designs and plans.
